

The Purpose of the Dietrich Legacy Society and Its Members:

The Dietrich Legacy Society was established to help ensure that the Wyoming County Cultural Center at the Dietrich Theater will be here for future generations. The Society is comprised of donors who want to give back to their community through gifts which carry out their charitable purposes. By becoming a society member you will show your commitment to creating a lasting legacy of arts, education and entertainment for northeastern Pennsylvania. Planned gifts are an ideal charitable vehicle to provide lasting support to the causes and charities that are most important to you, while also protecting your loved ones. Anyone can join the Dietrich Legacy Society. There is no minimum gift amount required to be a member.
